

UW-3560 Instruction Manual

Assembly Instruction

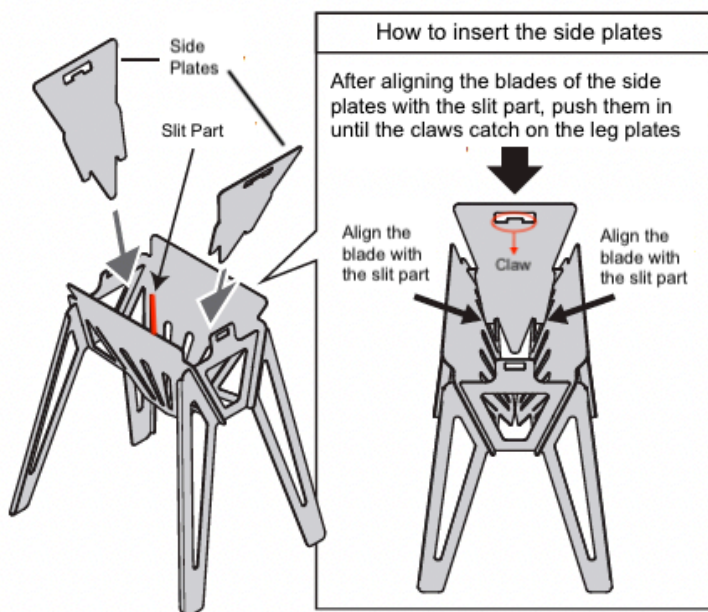

- ① Insert the leg plates into one of the front plates.

- ② Insert the second front plate into the leg plates simultaneously on both sides. Please note that both side must be inserted at the same time or they will not fit.

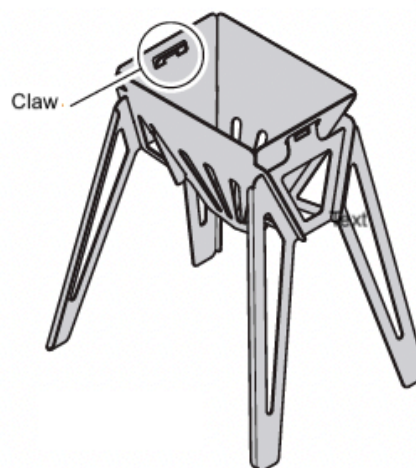

- ③ Insert side plates into the slit parts in front plates.

- ④ Done!

When storing, remove the claws and pull out the side plates

- ⚠ Caution: Please note that if hot water accumulates above the claws, it will leak through the leg plates in the claw to the leg plates.
